Intended Itinerary

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour. Our accommodated tour option travels together with the camping counterpart.

The description below assumes you have purchased the optional Adventure Pass for the tour.

Duration: 21 Days
Countries visited: Zambia, Malawi, Tanzania and Kenya

Day 1:

Livingstone – Lusaka

Distance Travelled: +/- 450 Km
 Approx driving time: 9 Hours

A visit to the Mosi Oa Tunya National Park to see the Victoria Falls is included in your tour. Due to time constraints on day 1 and to be sure not to miss it please ensure you arrive in Livingstone at least one day beforehand so your tour leader can arrange the visit for you. River levels vary with season but at high water (Feb-July) the Victoria Falls are over a mile wide with water falling some 100 metres into the Batoka gorge. It is the largest curtain of falling water in the world with spray visible from 20 kilometres away, hence the local name Mosi Oa Tunya, ('Smoke that Thunders'). At low water season (Aug-Jan) the river level drops considerably and the bottom of the Batoka gorge becomes visible. It remains an awesome sight.

Departing early, we head through lush country and small villages to Lusaka, Zambia's Capital city. Lusaka is Southern Africa's fastest growing city with approx. 1.7 million people and is located on the southern plateau at an elevation of 1300m with four main highways running north, south, east and west to different parts of Africa. This city is the commercial hub as well as the centre for the government. Our campsite for the evening is set in a tranquil and relaxing setting on a farm.

The concentration of animals around the Luangwa River, and its oxbow lagoons, is among the most intense in Africa. There are 60 different animal species and over 400 different bird species inhabiting the area. Hippo's, elephants, lions, leopards, buffalo, giraffe with many other species flourishes in the 20,000 sq miles of savannah woodland watered by these 500 miles-long river. The river itself is the most intact and unaltered major river system in Africa and covers 9059 km². The changing seasons add to the Park's richness, ranging from; dry, bare bushveld in the winter, to lush green lands in the summer months. On arrival we set up camp and enjoy the rest of the day at leisure to enjoy the many optional activities from walking safaris and village walks.

Leaving Zambia behind, we cross the border to Malawi. Please be patient as the officials process the group’s visas as this may take some time to complete. Lake Malawi formerly ‘Lake Nyasa’, covers almost a fifth of the country’s area and provides the source of livelihood for many of the Malawian people. Fishermen, fish traders, canoe and net makers all ply their trade, and a common sight is that of a fisherman in his *Bwato*, (dugout canoe made from hollowed out tree trunk) fishing on the lake at the break of day or with lanterns by night

The lake also has the highest number of endemic freshwater fish species of any in the world and attracts divers globally to seek out the many colourful Cichlid species. We arrive at camp on the lake’s shore in the afternoon and have the rest of the day to swim and explore the beach and surrounding area.

NB: Although it is our intention to adhere to the campsites described, a certain amount of flexibility is built into our time in Malawi and the crew may make alterations to the published itinerary. Please therefore treat the Malawi section of the dossier as a guideline only.

The views from here are simply magnificent and well worth the effort of hiking to. This farm is at an altitude of 1600m ensuring a pleasant fresh climate in one of the most scenic areas of Tanzania. We continue towards the Indian Ocean coast and the port city of Dar es Salaam ('Haven of Peace'). This route runs through the Mikumi National Park and we may, with luck, spot forest elephant or giraffe feeding near the side of the road. 'Dar' is Tanzania's hub of commerce and industry – a hot, humid and bustling seaport city of high rises, colourful markets and Arab influenced architecture on the coast accessing one of the most important sea routes on earth (with an interesting history too). To a majority of travellers, this city is the port of call to the more exotic Zanzibar and the remaining of the Archipelago islands. We set up camp at

our campsite on the beach just outside of the city centre, usually having time to browse curio markets - best known for ebony wood - and prepare for our trip to Zanzibar.

Day 11:

Zanzibar Island

Distance Travelled: Ferry crossing

Evocative and exotic, Zanzibar conjures up images of idyllic, sandy, palm fringe beaches; romantic winding cobbled alleys and lush tropical forests. You will find all of these here – and an intriguing history. Zanzibar was the base of the great 19th century explorers such as John Hanning Speke, Richard Burton and David Livingstone and once was a major trading centre of spices. Indeed, the spice trade is centuries old: Zanzibaris have traded with the people of the Arabian Peninsula for generations, plying the ocean in simple dhow sailboats relying on the annual trade winds for passage. The Arab influence is evident in the architecture and diverse street stall offerings of the capital, Stone Town This influence can be seen right along the Eastern coast – the Swahili language itself is a result of the mixing of Arab and African languages and cultures over many centuries.

Zanzibar's other history is not romantic. The island was also a staging post for slaves bought from the African interior being held before shipping to slave owners in the Middle East. You can still see the places where these men and woman were held – and even a short visit is enough to convey the appalling conditions they had to endure.

Our time on the island over the next 4 nights is not structured and your time is at leisure. Perhaps the best way to see Stone Town is on foot: explore the bazaars for old maritime trinkets, cloths, wooden carvings, visit mosques, palaces, courtyards and alleyways of the old town. Spices are grown in plantations nearby and you can take day tours to visit some and have your senses dazzled by the tastes and scents experienced. If it's white sand, sparkling ocean and hot sun you prefer – head to the northern beaches and enjoy the Indian Ocean at its best. Try snorkelling and diving, indulge in some sumptuous seafood, or simply relax beneath a coconut palm with a cocktail and a good book.

NB: As we leave the vehicle on the mainland, basic tourist class accommodation and breakfast on Zanzibar are included in the tour price, but for the sake of flexibility other meals are left for your own account. Typically, we spend one night in Stone Town and the next three nights in the north of the island at one of the beaches. Your tour leader will be

available to assist if you if you have any questions or need activities arranged.

Please note that some group members may be starting their tour in Dar es Salaam today.

Approx driving time: 11 Hours

Departing early from Dar es Salaam, we head north past the Usambara and Pare Mountains in the Eastern Arc Mountain Range to Marangu, nestled at the base of the famed Kilimanjaro. The camp takes its name from the surrounding area. "Marangu" means "full of water" in the local Chagga language, and the lush green surroundings demonstrate the truth of this. If weather is clear we will gain a view of the magnificent snow-capped Mount Kilimanjaro, Africa's highest mountain (5895m).

Day 17:

Marangu - Arusha

Distance Travelled: +/- 120 Km

Approx driving time: 2.5 Hours

We drive past the town of Moshi and eventually reach Arusha; a city situated exactly mid-way between Cape Town and Cairo. This is Tanzania's 'safari capital', a city of some 2 million people, a bustling melting pot of markets, vehicles and people – all nestling in the shadow of the brooding Mt Meru (4556 m). With time to explore town we head out to our camp just outside the city at the edge of the Masai plains.

This afternoon we enjoy a walk to one of the local Masai villages, a local school and clinic, a small but highly interesting Masai museum, and the snake enclosure at the Meserani Snake Park.

It is from here that we prepare for our two night/three day excursion to the Serengeti National Park and the Ngorongoro Crater.

Day 18:

Arusha - Serengeti National Park

Distance Travelled: +/- 250 Km

Approx driving time: Full day including game drives

This morning we transfer to smaller more 'game park friendly' vehicles and drive west across the Great Rift Valley, passing through Mto Wa Mbo ('mosquito creek') and enter the Ngorongoro Crater Conservation Area. We pass into the park and drive around the 'Crater's rim and down onto the Serengeti plains. Green after the rains, brown and burnt in the dry, this is home to an enormous variety of grazing animals, predators, and birdlife. Flatter and larger than the Masai Mara the Serengeti is simply huge - indeed the name derives from the Masai word *Siringitu* – 'the place where the land moves on forever'. We game drive to our designated (but unfenced) campsite for the evening where lion and hyena roam nearby for an unforgettable experience.

Accommodation: *Serengeti National Park: Bush Camp - Camping in twin share tents with basic shared facilities (no shower, pit latrine)*

Meals included: *Breakfast, Lunch, Dinner*

Day 19:

Ngorongoro Crater

We drive out of the plains, game driving en route, and after lunch ascend the outer wall of the Ngorongoro Crater. We spend the night camping on the rim (you may need a jacket; it can be cold at night due to the high altitude here), where wildlife also roams free. At 326 square kilometres in area the Ngorongoro is Africa's largest intact caldera and a World Heritage Site. If the view from the rim (2400 metres above sea level) is spectacular, the site from the Crater floor (some 600 metres below) is equally enjoyable.

We wake early and descend the steep dirt road of the Ngorongoro Crater for a morning of game driving in this spectacular wildlife haven. All of the major mammals are present except giraffe (which cannot manage the steep slopes leading down onto the Crater floor). After our game drive we ascend to our campsite on the rim for a final view over the Ngorongoro Crater, pack up our camp and have lunch before retracing our steps to Arusha and our campsite at the Meserani Snake Park where we will overnight.

Tour Information

TOUR STYLE:

Adventure Camping Tour

Travelling on a camping adventure tour is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

WHAT'S INCLUDED:

All tour highlights, 2-person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

WHAT'S NOT INCLUDED:

Adventure Pass activities, visas, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature. NB Lunches and dinners in Livingstone and on Zanzibar are not included.

ADVENTURE PASS:

Every adventure camping tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

ACTIVITIES &

EXCURSIONS:

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

EXTENDING YOUR TOUR:

This tour can be extended to travel from Cape Town or Johannesburg. Ask your agent for more information.

ACCOMMODATION:

We use 2-person dome tents with fly sheets, sewn-in groundsheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool. In the Serengeti & Ngorongoro Crater there are basic facilities. On Zanzibar we use basic tourist class local hotels.

TRANSPORT:

24-seater, self-contained, custom-built vehicle with on-board tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers, 4x4 safari vehicle and fast ferry. Travel times indicated are approximate and do not include stops en-route.

GAME PARK VISITS:

To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As

well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a ‘grassroots’ level to local economies from which local people benefit.

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advice on what to use where.

TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

Responsible Travel

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
