**Intended Itinerary**

It is our intention to adhere to the route described below but a certain amount of flexibility is built into the tour and on occasion it may be necessary or desirable to make alterations to the published itinerary. Please therefore treat the following as a guide only. This is a participation tour. Our accommodated tour option travels together with the camping counterpart.

Your tour starts in **Pretoria**, South Africa's administrative capital. Close enough to Johannesburg to almost be considered a suburb, Pretoria is known as the Jacaranda City, with purple blossoms covering the streets in October each year. Pretoria boasts many sights of interest – such as the 10m bronze statue of Nelson Mandela standing beside the historic Union Buildings. Various cultural sites, shops, bars and restaurants are within an easy walk of our recommended hotel (and tour start point).

How do I get to Pretoria? Simple. Book a transfer before you leave home to meet you at Johannesburg's OR Tambo International and take you direct to the hotel in Pretoria. Journey time is about 45 minutes depending on traffic. We particularly recommend a pre-booked transfer if you are arriving late. Alternatively, there is a regular low-cost train service called the Gautrain which runs from OR Tambo International to both Johannesburg and Pretoria. If the train interests you, email or ask Travel Talk for more information.

The description below assumes you have purchased the optional Adventure Pass for the tour.

**Day 1:****Pretoria – Greater Kruger Park, South Africa**

Distance travelled: +/- 380 Km  
Approx driving time: 7 Hours

Departing from South Africa's administrative city, Pretoria, we drive across the scenic Mpumalanga province and enjoy the spectacular mountain scenery before heading to the Panorama Route where we view Blyde River canyon. We make our way to Hazyview bordering Kruger. Fences between the National Park and surrounding private reserves were removed several years ago to form the Greater Kruger, an area of some 24000 sq km. Wildlife is free to roam the whole enormous area and it has become incredibly diverse in both fauna and flora. From the dwarf mongoose to the famed 'Big Five', almost every major African mammal is present. There is also prolific birdlife and over 330 varieties of trees. This evening we enjoy our first night under the African stars.

Kruger is home to over 505 species of birds, 148 species of mammals and many reptiles which we enthusiastically search for during the morning and afternoon. The impressive atmosphere of the park enables you to understand why it is held in such high esteem amongst wildlife lovers from all over the world. We avoid the hot midday sun and enjoy the peacefulness the rest camp has to offer. There are many facilities available for game viewers such as restaurants, souvenir stores and swimming pools. We return to our camp in the late afternoon, happily exhausted and highly satisfied with the day's events. For those wanting more game driving there may be the option of heading out on a night safari. Early evening, we all enjoy a lovely dinner gathered around the warm fire crackling in the stillness of night.

This afternoon we recommend you participate in some of the many activities offered in the sanctuary such as horseback trails, game drives, mountain bike riding, and guided walks or just enjoy some rejuvenating time-out sun tanning around the cool swimming pool with a good book. ## **Tour Information**

### **TOUR STYLE:**

Adventure Camping Tour

Travelling on an adventure camping tour is great fun, but it can also be challenging! This is a *participation* tour and your help will be needed in setting up the camp each night and assisting (usually on a rota basis) with the various day to day campsite duties, such as shopping, cooking and keeping the vehicle and camp tidy. But don't worry it's not all hard work and it's a great way to meet the local people and get to know your fellow travellers. Your contribution benefits the success of the tour - most people find the greater their involvement, the greater their enjoyment of the whole trip. Our accommodated tour option travels together with the camping counterpart.

Africa is an adventure destination and travelling here is not always predictable so be prepared to 'expect the unexpected' in difficulties or delays which might come our way! However, you'll soon find that the diversity of the African landscape, the wildlife and the communities we pass on our way, make the sometimes-rough travel and long driving days worthwhile. Come with a sense of adventure and a flexible attitude and you will be sure to enjoy your African adventure across this amazing continent.

Africa provides an ever-changing environment, power failures, water and fuel shortages, temperature fluctuations, and other uncontrollable / unplanned situations do occur. You will need to remain flexible, understanding and good-humoured. "African time" can be difficult and frustrating for those who are used to a very structured life, so this is something to keep in mind!

### **WHAT'S INCLUDED:**

All tour highlights, 2-person dome tents, fully equipped safari vehicles, camping and cooking equipment, mattresses, service of two crew, all road and vehicle taxes, all ground transportation, meals as indicated.

### **WHAT'S NOT INCLUDED:**

Adventure Pass activities, travel insurance, flight departure taxes, airport transfers, optional activities, tips, drinks, sleeping bag and items of personal nature.

### **ADVENTURE PASS:**

Every adventure camping tour has an Adventure Pass which is paid to your tour leader in Africa at the beginning of the tour (or pre-paid by arrangement prior to your tour). This is separate and in addition to the Tour Price, which is paid before travel, and is paid in the currency listed in the brochure or on the website (usually US dollars in clean, un-torn post 2008 edition notes). The Adventure Pass covers selected park entries, activities and excursions along the way where payment goes directly to the supplier. The purpose of the separate payment is to ensure local suppliers benefit directly from the income.

### **ACTIVITIES &**

### **EXCURSIONS:**

These are optional activities that are booked during your holiday and paid directly to the provider while on tour. These options offer a variety of experiences and allow you the freedom to decide what activities you would like to do.

**EXTENDING YOUR TOUR:** This tour can be extended to travel to Cape Town. Ask your agent for more information.

### **ACCOMMODATION:**

We use 2-person dome tents with fly sheets, sewn-in groundsheets, zip-up insect screens and foam mattresses. We mainly use campsites, which usually have reasonable wash and shower facilities, electricity points and sometimes even a small shop, bar or swimming pool.

**TRANSPORT:** 24-seater, self-contained, custom-built vehicle with on-board tables, plug sockets, freezer, water tank, library, safety features and 70-litre individual lockers, 4x4 safari vehicle. Travel times indicated are approximate and do not include stops en-route.

**GAME PARK VISITS:** To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.

## LUGGAGE

Please try to keep your luggage to a minimum, bearing in mind that most airlines impose a 20kg limit. It should be brought in a soft hold all or rucksack along with a smaller day bag. You will need to bring a mixture of lightweight clothing and warm clothing for the evenings and early morning game drives. You also need a sleeping bag (and small pillow if preferred). We recommended you pack a small torch or headlamp, mosquito spray and a money pouch/ belt that can be easily hidden. Please try to avoid bringing unnecessary valuables and use your hotel safe to store the bulk of your money, passport, and airline tickets. A power bank is useful for recharging electronic devices. A full 'What to Bring' list is included in our **pre-departure booklet**, issued when you book.

Naturally we welcome any questions you may have about security and safety on tour.

## Money Matters

### PERSONAL EXPENSES

Naturally you will require extra money for your own personal spending on the tour, for Activities and Excursions, snacks, drinks, souvenirs, tips and items of a personal nature. Everybody has different spending habits but as a guideline we suggest you budget US\$15-30 per day. Also keep US\$ cash for relevant airport taxes and visas needed, optional activities and any additional accommodation before or after your tour.

**Spending money** is best carried as cash in US dollars (US Dollars in clean, un-torn, **post 2008** edition notes), Sterling or Euro which you then exchange into local currency on arrival and as you go. Your guide can advise how and when you can change the rest of your money throughout the tour.

**Currencies** are as follows: South Africa – South African Rand, Swaziland - Swazi lilangeni.

**ATM machines** are found in South Africa. Please note they are sometimes unreliable (and therefore should not be relied upon).

**Credit cards** can be used to pay for optional activities although charges may be high by western standards (+/- 5%).

We recommend you bring your spending money in several different ways (some cash and some cards); your guide can best advise on what to use where.

### TIPPING

This is always a matter for your own individual discretion but as in many areas where tourism is an important contributor to the economy, it has become customary to give a small gratuity to local staff, including your tour leader and driver, at the end of a tour if services rendered have been to your satisfaction.

### OPTIONAL ACTIVITIES AND EXCURSIONS

### RESPONSIBLE TRAVEL

We strongly believe that you get the most out of a journey by respecting the culture and people of the places you visit. On our tours we try to travel in a way that benefits the communities we pass through and minimises negative impact on the environment. This can be from ensuring the campsites we use are clean when we leave and dressing respectfully in conservative areas to getting involved with local charity projects. We ask that you are open to this when you travel with us. Being proactive in responsible travel helps develop cross-cultural understanding and friendships with the local people and will greatly enhance your experience in Africa.
